

**STATEMENT REGARDING TEMPORARY GREENS AND HANDICAP CHANGES**

I have been advised that following a complaint from a member in April 2016, the committee decided that if 2 or more temporary greens were in play during a competition, then no changes would be made to handicaps.

I am therefore obliged to amend the results from the competition of Monday 5<sup>th</sup> Feb to show that no handicap changes have been made.

The following statement will be added to the Seniors Competition Rules & Winter Stableford Rules:

If any competition is played with 2 or more Temporary Greens, then the competition will stand regarding results and prizes, but no alterations will be made to Handicaps whatsoever.

Apologies for any misunderstandings.

Regards

Dave Pegge

Senior Competition Secretary
