Notes

1. Tees Rather than have everybody off the first I have used the 17th. I know that is not ideal but hopefully it will make things a little quicker Other than home players all those people starting off the 17th have buggies.  
**CARE there are some members playing who start early and may get to the 17th before 10.40, if so please let them through**
2. Buggies. Enough buggies have been reserved for each pair in red. Please pay separately when you pick up the key
3. Smoking. Because the course is so dry there is a smoking ban in place. Apologies to those people affected but I am sure you will understand why.
4. Food. The meal is £7. Before we set off could each captain please let me have the food choices for each player from
  - a. Fish and Chips **3**
  - b. Ham Egg and Chips **6**
  - c. Chicken ham and leek pie and mash **3**
