

Winter Stableford Handicap Rules

It is intended to hold a 15 Hole Stableford Competition every fortnight during the winter, weather permitting (Min 10 entries per comp).

Handicaps

Senior 15 hole handicaps will be adjusted during these competitions, using the usual adjustment system.

If any competition is played with 2 or more Temporary Greens, then the competition will stand regarding results and prizes, but no alterations will be made to Handicaps whatsoever.

Prizes:

If the number of entrants is 20 or more, the field will be split into 2 divisions for payment of winnings. The handicap split will be decided by the exact handicaps of entrants on the day, Lowest 50% in Div 1, Highest 50% in Div 2 (if an odd number, then extra player will be in Div 1). (If 2 or more handicaps on the split line are equal then countback on previous comps will decide the cut line). Prize money pool will be split as follows. 1st in each division receiving 50%, 2nd place 30% and 3rd place 20%.
2's pool will remain as 1 division.

2's cash will be divided equally between the winners.

In the event of the 2's not being won any week, the entry money (50p) will be paid out to the player/s who have entered the 2's comp who have the lowest gross score on all the Par 3's.

All cash prizes will be automatically paid into Winners Gold Card Accounts.

Start Sheet

A start sheet will be placed on the notice board, players must enter their name on this list **BEFORE** commencing play, cards will not be accepted if names are not on the list before starting.

Any queries regarding any of the above, please contact:
